

# News Flier.....

**Spring Term  
Week 2**

Thank you everyone for making me feel so welcome over the past two weeks, it has been a busy time but I have enjoyed it greatly. It is wonderful to see positivity in every area of our school life and throughout our community.

You will already have noticed, I'm sure, a number of changes to the way school is organised.

Safety of your children is my number one concern so we have made changes to the way people enter school and ensure we sign parents in every time they enter the school building. Arrangements for before school and after school clubs have changed slightly but this is only entry and exit point of the school. The same procedures are still in place for dropping off and picking up from clubs it's only the point of entry that has changed.

Lunchtimes have also been modified slightly with further changes to come once we have our new tables. It will be welcome sight to see all of our children eating together in the school hall.

Homework will now be given out on Wednesday and will be due back in to school on the Monday.

We aim in the coming months to look at rotating swimming lessons across the school to allow other year groups the opportunity to learn how to swim from an earlier age.

Finally, the staff and I have been looking at procedures for the start and end to the school day. I will be writing to you in the coming weeks to confirm the changes that I hope to have in place.

Thank you once again for your continued support.

Have a great weekend.

- **Thank you.....**from all of the staff for all the Christmas cards and kind gifts they received before Christmas, your generosity really does mean a lot to them.
- **Nut Allergies.....**pleases could we remind you that we do have children and staff in school with nut allergies and therefore for the interest of their health we ask that you do not send any items of food into school either for snacks or in lunch boxes that contain nuts, i.e. snack bars, Nutella, chicken satay etc. Please may we also ask that you to refrain from putting cocktail sticks in lunch boxes. Thank you.
- **PE kits...**will be coming home today for washing and should be brought back into school on Monday please.
- **DT Week.....**there will be no DT week this term, our next DT week will be in the Summer Term.
- **Unwanted music CD's.....**Mrs Crouch would very much like donations of any unwanted music CD's please for a future Arts Club project she has planned, thank you.
- **Swimming Gala.....**we will be entering a team into this year's swimming gala taking place at The Meridian Leisure Centre, Louth on Thursday 30<sup>th</sup> January. Individual letters inviting children to join the team will be issued after the trials are complete.
