- **Sponsored Swim for School funds.....**Georgia and Ethan's mum, Angie is going to swim 2 miles on Tuesday 16th July. There is a sponsor form at the office hatch if you would like to support her.
- **Our Governing Body.....**is very committed to Music at school and ensures, through the Budget, that it is a high profile subject in our curriculum. The following activities enrich our music work and are all provided free of charge. Nursery children participate in a 6 week programme each Summer term led by Miss Briggs, one of the County music advisors; Nursery and Reception each participate in a weekly Singing Session for half a year led by Miss Witney, the County's singing advisor. Both Y3 and Y4 have a weekly 50 minute Whole Class Instrumental Teaching (WCIT) session led by Miss Briggs in which every child learns to play the violin or cello. Developing musical skills through learning to play an instrument can have a positive impact on organisational skills, co-ordination and self-expression across the curriculum.
- **Y4 and Y5 hockey session.....**with Glenn Kirkham, former England and Great Britain hockey captain! Glenn will be coming to school to share his skills on Thursday afternoon, 18th July – what a wonderful opportunity for the children.
- **Nationwide School Uniforms.....**have a cut off date for on-line orders to be delivered to school for July, of Friday 12th July. These orders will be delivered to school on Tuesday 16th July.
- **Trophies last week.....**were awarded as follows:

Mental Maths	- Year 5
Attendance	- Year 1
Homework	- Year 5
Spelling	- Year 2
Singing	- Year 3

This week is the last week of spelling tests for this term – so no lists will be published until next term.
- **Huttoft Parish Council.....**has contacted us to request your consideration for the residents in the roads around the school if you are not using the car park or if it is full. In particular they are concerned about damage to kerbs and loud music being played.

- **Annual Flu vaccinations.....**will be taking place on Tuesday 3rd December for all children in Reception to Year 6 (Sept '19 classes). Information on how to complete the on-line consent form for your child/ren is coming home shortly.
- **Our whole school 'Entrance Hall Art'.....**is now displaying work that represents each class's Summer Term trip. Do take a moment to admire it when you're next in school – you are sure to be very impressed with the children's skills of shading, perspective, proportion, observation, colour mixing and creativity. It provides very happy memories of our learning beyond the classroom curriculum as well as making a fantastic display of our Art work.

And finally.....I would just like to thank you again for the incredible support, kindness and generosity you have shown towards me and our school. We are so, so fortunate to be part of such a very strong and united community with the children at the heart of everything we do. Your gifts and messages in so many different ways just continue to overwhelm me in their thoughtfulness and the fundraising campaign that you are driving is simply phenomenal. **Thank you.**
