

# News Flier.....

**Week 7 Summer Term  
19<sup>th</sup> June 2019**

- **Design a Beach towel competition.....**winners are: Sebastian YR, Emelia Y1, Maisy Y2, Lexi Y3, Megan and Brooke Y4. Well done to all of you – your Certificates will be awarded in Assembly on 1<sup>st</sup> July.
- **Year 4 Class Museum....**thank you very much to all those Year3/Year 4 parents/carers who came along on Tuesday afternoon. I know, like us, you were very proud of the children’s knowledge, presentation skills, quality of writing and overall enthusiasm for learning. Such an enjoyable and thought provoking activity. Thank you Year 4.  
It was also good to receive your comments on our Anderson Shelter project – this has been something we’ve had under development for a number of years and for which fund raising has taken place. Mr Lake has been instrumental in the creation of the shelter and setting and we have further plans for it which will continue to come to fruition over time. If anybody has any artefacts of the early 20<sup>th</sup> Century that you would like to donate to our project we’d be delighted to receive them.
- **2019 Transition Days.....**are on Monday 24<sup>th</sup> and Tuesday 25<sup>th</sup> June. This is when all the children spend two days with their class teacher for next year - familiarising with routines and staff and their new classroom. We warmly welcome all the September 2019 Reception children on both days too. Whilst in their next class a special project takes place and together the children create a wall display which will be put up to welcome them in September when their new school year starts.
- **School lunch arrangements.....**hopefully by now you will all have made your registration with Ideal Meals. Meals for 1<sup>st</sup> July should be ordered by midnight on Monday 24<sup>th</sup> June.
- **I’m feeling very overwhelmed...**by the wonderful messages so many of you’ve sent in following my announcement about retiring at the end of August. Thank you very, very much indeed. It has taken me several months to reach my decision which was made for a number of reasons, one being quite simply that after 31 years as a committed headteacher I want to spend more time with my family. It will also be a time in which I can enjoy my music and outdoors. The Governing Body led by Doug Porter-Robinson, is already discussing next steps to ensure a smooth transition for the school.

- **Saints Open Afternoon.....**is on Monday 1<sup>st</sup> July when your child's classroom will be open from 1:45pm to 2:40pm. The FHS will be serving some traditional English foods in the Hall. As part of our 'local area' curriculum work all classes have a unit of study about a Saint and it's that work that they will be showing you on Monday 1<sup>st</sup> July. Please note though, Year 4 will not be involved as they will be visiting Cranwell.
- **Trophies last week.....**were won as follows:
 

Mental Maths	- Year 5
Attendance	- Year 1
Homework	- Year Reception
Spelling	- Year 5
Singing	- Year 3
- **Next FHS Meeting.....**is Thursday 27th June, 8:45 in the Music Room. This Meeting is about final planning for the Summer Fayre on Friday afternoon, 12<sup>th</sup> July starting at 2:55pm. Mrs Clarke and her committee team are actively seeking gifts for the stalls and would appreciate offers of help with the stalls on the day.
- **Nursery Cake Stall....**has raised a magnificent £60 today. This is for their mud kitchen – thank you to everyone who supported it.
- **Nursery Toddle and Picnic 2019.....**is on Wednesday 3<sup>rd</sup> July commencing at 1:40pm on the field. All nursery parents and carers are welcome to join us as we walk around the playing field engaging in activities provided by Year 6 and finishing with family picnics at the edge of the field. There will be a cake stall and raffle so please support us if you can – donations of prizes and cakes will be much appreciated. Please remember not to pack any nut products in your picnic.
- **Mr Irving's Skydive.....**was completed at the weekend. He raised a fantastic £450 for his chosen charities and sends his appreciation for supporting him.
- **PE kits.....**come home for washing this weekend.
- **Coastguard visit.....**on Tuesday morning generated lots of interest among the Year 3 and Year 6 children. In addition the team asked me to pass on the following information for beach safety in the holidays – when going to the beach for the day take a photo on your phone of your child(ren) so that IF you should lose sight of them you can show the photo to others/coastguard etc. for assistance in looking for them; it is surprising how you can forget what they were wearing when in a panic. The Coastguards will be delivering some wristbands to school which we will circulate to you once they arrive, for you to put on your child.

- **Chapel Swimming.....**continues to the end of term. This is open to us on a Thursday from after school up to 5:30pm and costs just £1 per child. Children must be supervised by a responsible adult at all times. The money raised goes to school funds and is currently building up towards another electric spiral binder machine.
- **Year 5 School Journey (Residential)...**I'm looking forward to seeing our participating Year 5's on Monday morning ready for a 6:40am departure! First stop is Erddig near Wrexham, followed by Chester Zoo. Our overnight stay is at Ironbridge.  
A School Journey nurtures so many life skills – confidence, awareness of personal risk, independence as well as team work, appreciation of our world, communication and different ways to learn. These aspects are so important to our rich curriculum.
- **Year 3 Eco-Friendly session....**with Skegness Eco Centre will be on Wednesday 10<sup>th</sup> July when the children will be making bird feeders in class for the garden.

### Diary Dates

<b>Friday 21<sup>st</sup> June</b>	Year 3 presenting Assembly for their parents and carers commencing 2:25pm in the Hall.
