**Week 3 Summer Term  
9<sup>th</sup> May 2019**

- **Whole School Targets....**for this term reflect the value we put on an enriched curriculum. With Summer on the way (hopefully!) opportunities for outdoor learning increase. Our Scheme of Work encompasses Science, Maths, Art and Healthy Lifestyles (PSHE) and is designed to develop the skills of collaboration, listening, appreciation and reflection.  
So, Target 1 is 'To be able to talk about outdoor learning experiences at school and say how they help me'.  
Target 2 is centred on Mindfulness as we seek to support the children's mental health and wellbeing - 'To be able to focus on my breathing and keep my body still for a few minutes every day'.  
You might like to talk over these Targets with your child(ren) at home.
- **Nursery Music Sessions.....**Mrs Denton says the children have been loving this weekly opportunity to participate in music making with Ms Briggs, a visiting music specialist. Ms Briggs is well known in school as our teacher for Y3/4 WCIT and cello.
- **At the Friends of Huttoft School Meeting.....**held this morning, ideas were shared for this year's Summer Fayre – after school on Friday 12<sup>th</sup> July - as we seek to top last year's record fundraising and aim for £2000! The FHS welcomes donations of tombola items, wine, small gifts for Lucky Bags, teddies, sweets/chocolates and Raffle prizes from next week. Offers of help with setting up etc. during Friday 12<sup>th</sup> July are needed. There will be a Cake Stall at the Fayre for which 'cakes on the day' will be gratefully received.
- **Trophies last week.....**were awarded as follows:  
Mental Maths           - Year 2  
Attendance             - Year 3  
Homework               - Year 3 and Reception  
Spelling                 - Year 6  
Singing                 - Year 4  
This week the spelling trophy was won with just 67% achieving full marks. 75% or better is the usual figure. Perhaps you could help us with a 'push' on thorough learning of the spelling list to get back into the upper 70's.
- **Class Photographs.....**please note that the return date for orders is **tomorrow**.

- **Prompt start to the day.....**thank you for helping us by trying to vacate the school site for 8:35am so Registration and activities can begin on time. Please may I remind you that although there is no Assembly on a Tuesday or a Friday (so the children are remaining in their classrooms) we still need to get their activities and lessons underway straight away and therefore would appreciate it if you would endeavour to be off site for 8:35am those days too.
