

News Flier.....

Week 2 Summer Term
2nd May 2019

- **Quality assurance of our learning environment....**Our East Lindsey Locality Lead in Education, Mrs Caputa was in school on Tuesday and gave special commendation to our displays in each classroom. She was particularly impressed that all subject areas were in evidence. This demonstrates the enriching curriculum that our Governing Body prioritises in its funding plans and we as a staff work very hard to promote.
- **Favourite Subjects 18/19.....**the children's votes have been counted and...joint "top" are Maths and PE with Art taking a close 3rd place. These three subjects have been in the children's top 3 favourites for a number of years now and all are significant ones in terms of life-long learning.
- **Year 2 and Year 6 SAT's**take place in May. The timetable for Year 2's is flexible for each school. The timetable for Year 6's is the same all over the country.
Monday 13th May: SPAG
Tuesday 14th May: Reading
Wednesday/Thursday 15th/16th: Maths

- **Reception Class 2019.....**the offers of places were issued by Lincolnshire County Council recently. There is no "accept" tab to confirm your on-line offer – this year the procedure presumes that when a place is "offered" parents/carers will want to accept.
- **Y5 Taster Day.....**at John Spendluffe Technology College on Monday 17th June. Letters about this opportunity will be issued shortly. I am sure this will be another busy and worthwhile day out for Year 5. Certainly yesterday's visit to Skegness Grammar School was exactly that!

- **PE kits.....**come home for washing this weekend.

- **Year 6 Transition to Year 7.....**preparing for secondary school takes place throughout Year 6 in a variety of forms including roles and responsibilities around the school, homework diary, Business Enterprise, Careers Education and additional anti-bullying work. After half term (i.e. from Monday 3rd June) we would appreciate help with this preparation from the Year 6 parent/carers by separating from your Year 6 child at the gate and not coming in to help them in the cloakroom or entering the Y6 classroom. Thank you for your co-operation with this.
- **E-Safety...**Our PSHE last week focused on on-line safety. Remember you can support this at home by setting the parental controls on your child's devices and making sure they are only accessing age appropriate games/material.
www.ceop.police.uk/safety-centre is a useful source of information.
