- Measure – converting units; using metric and imperial units, converting units of time; timetables
- Measure – volume; comparing and estimating volume and capacity

#### Computing

- Digital portraits, data logging, research

**The Tudor dynasty has long held fascination for historians and no wonder; there is so much to discover about Henry's opulent court and his 'great matter' of securing a male heir.**

**Tudor England was no safe haven; it was a place where even the rich and powerful could soon fall from favour and find themselves in the Tower of London.**

#### Art

- Portraits
- Studying the work of Hans Holbein
- Sketching Tudor fashions
- 3D model making

#### PE

- Athletics; batting and fielding games

#### History (Driver Subject)

- Develop children's knowledge and understanding of the Tudor Dynasty
- Children learn about the legacy of Henry VIII
- To understand the trial of Anne Boleyn

#### Science

- Human change; diurnal creatures
- Human reproduction, puberty, ageing, changes over time
- Investigation: Do we slow down as we get older?

#### Geography

- Tudor maps
- Exploration by sea
