Above School Average Below School Average

Our school attendance target is 98%

Free School Meals

Please use the link below to check if your child is entitled, it is a very quick and simple process and you could find your child could receive free school meals which is protected until the end of their time at Primary School. FSM and UIFSM are two totally different things so even if your child is in YR – Y2 please still complete the application as this also brings additional funding into school for every FSM child.

Values Champions

Congratulations to our Values Champions from last week; Pearl, Luke, Sebastian, Amber, Bohdi, Max and Leni. Well done, your actions and attitudes have reflected our school values.

MacMillan Coffee Afternoon

Thank you to everyone who took part in our MacMillan Coffee Afternoon, we are delighted to tell you all that we raised an amazing £263 for this fabulous cause.

The Great Huttoft Bake Off

WOW!!!! What a talented bunch of bakers we have at our school! Mrs Lake had such a difficult job judging all the cakes and if she could have given a prize to everyone she would have. Winners were; Megan, Barney, Spencer, Harper, Olly and Riley – congratulations to you all.

#HelloYellow for Young Minds

Young Minds is a charity that aims to show young people that their feelings matters and create a future where all young people get the mental health support they need, when they need it, no matter what. We want to support this by inviting our children to come to school on Monday in non-uniform and turn the school yellow, there will be donation buckets about during the day and we will be having activities throughout the afternoon to understand the reasons behind us wearing yellow.

Curriculum Sheets and Learning Information

You can find further details of the Project your child is learning about this term on our website. If you click on the Student tab then Classes and choose your child's class you will find the Curriculum Sheet, Knowledge Organiser, Word Maps, Vocabulary etc. which will all give you a greater knowledge of what the children are learning and how you can support and extend this at home.
