Our school attendance target is 98%

Free School Meals

Please use the link below to check if your child is entitled, it is a very quick and simple process and you could find your child could receive free school meals which is protected until the end of their time at Primary School. FSM and UIFSM are two totally different things so even if your child is in YR – Y2 please still complete the application as this also brings additional funding into school for every FSM child.

Values Champions

Congratulations to our Values Champions from last week; Lani, Annie, Noah, Emily, Bobby, Farrah and Jackson. Your actions and attitudes have reflected our school values, well done.

Young Minds #HelloYellow Day

Thank you to everyone for supporting our HelloYellow day, we raised an amazing £140 for Young Minds.

Monster Phonics Information session

Parents of Year 1 and Year 2 children are invited to join us in school 4pm – 5pm to learn more about Monster Phonics and how you can support your children at home.

Harvest Festival

Please join us on Wednesday 19th October at 2pm in the Hall for our Harvest Festival celebration. Any donations of Harvest items will be gratefully received, and these will be parcelled up and handed out to our local community/food banks.

Christmas Card Fundraiser

Following on from the success of the Jubilee items that your children designed through Xmas4Schools we will be joining up with them again for Christmas. Your child will be given the opportunity to create a design in school which will then come home for you to view, fill in your details and return to school. We will then return these designs to the company and you will then have an opportunity to purchase Christmas cards and other items with your child's design on them. A percentage of the order total will then come back to school funds. Please watch out for these designs coming home after half term.

Curriculum Sheets and Learning Information

You can find further details of the Project your child is learning about this term on our website. If you click on the Student tab then Classes and choose your child's class you will find the Curriculum Sheet, Knowledge Organiser, Word Maps, Vocabulary etc. which will all give you a greater knowledge of what the children are learning and how you can support and extend this at home.
